Opening

★ Prediker 3

★ Elke ding het sy vaste tyd

★ 9Wat kry die mens vir die werk waarmee hy hom vermoei?

★ 10Ek het gesien dat God aan die mens 'n taak gegee het om hom mee besig te hou. 11God het elke ding gemaak dat dit pas in 'n bepaalde tyd, maar Hy het ook aan die mens 'n besef gegee van die onbepaalde tyd. Tog kan die mens die werk van God van begin tot einde nie begryp nie. 12Ek het tot die insig gekom dat daar vir 'n mens niks beter is nie as om vrolik te wees en die goeie van die lewe te geniet. 13Dat die mens kan eet en drink en onder al sy arbeid nog die goeie kan geniet, ook dit is 'n gawe van God.

★ 22Ek het gesien dat daar niks beter is nie as dat die mens vreugde vind in sy werk; dit is wat hom toekom. Wie kan hom laat sien wat ná hom sal gebeur?

★ Ecclesiastes 3

★ A time for everything

★ 9What do workers gain from their toil?

★ 10I have seen the burden God has laid on the human race. 11He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end. 12I know that there is nothing better for people than to be happy and to do good while they live. 13That each of them may eat and drink, and find satisfaction in all their toil—this is the gift of God.

★ 22So I saw that there is nothing better for a person than to enjoy their work, because that is their lot. For who can bring them to see what will happen after them?

Ice breaker

What is important in your life?

A person is running in a sunset setting, with their silhouette visible against a warm, orange and purple sky. The text is overlaid in white, bold, sans-serif font.

**LIFE WITHOUT GOALS IS
LIKE A RACE WITHOUT A
FINISH LINE
(YOU'RE RUNNING NO WHERE)**

Imagine your dream business...

- ★ You have a clean / blank page:
 - ★ anything goes
 - ★ money is not an issue,
 - ★ people's opinions don't count or have any influence
 - ★ there are no judgments, or constraints or fears
-

- ★ Where do you see your business 5 years from now?
- ★ What will your business do for you?
- ★ What would you do, be and have?
- ★ What do you need to believe to do, be and have these things?
- ★ What beliefs / behaviour / habits / perceptions would you have to let go to realise this?
- ★ What do you need to learn most?

Do you experience the following?

- ★ You crave a sense of order – (True / False)
- ★ You dream about the future – (True / False)
- ★ You can't stand being idle, you need to do some work, the part of you who feels guilty if you aren't doing something all the time – (True / False)
- ★ You sometimes feel as if you are painted into a corner – (True / False)
- ★ Do you have someone who can help you / you can talk to? – (True / False)

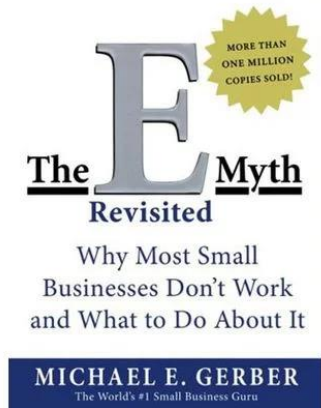

The Entrepreneurial myth from The E-Myth

- ★ Where were you before you started your business?
 - ★ Most of us were working **for somebody else**
- ★ What were you doing?
 - ★ Probably technical work and you were probably damn good at it
 - ★ but you were doing it **for somebody else**
- ★ Then, one day, for no apparent reason, something happened!!
 - ★ An Entrepreneurial seizure
- ★ And from then on everything in your life changed

- ★ **Fatal Assumption:** if you understand the technical work of a business, you understand a business that does that technical work
- ★ **Finding:** Rather than their technical knowledge being their greatest single asset, it becomes their greatest single liability

- ★ **Result:** In the majority of cases the work you love to do and turns into a job
- ★ The business that was supposed to free you from **working for others** actually **enslaves you...**

What Every Successful Entrepreneur Knows

The reason it enslaves you?

- ★ Everybody who goes into business is actually **three-people-in-one**:
 - ★ **Entrepreneur** – you dream and scheme about the future
 - ★ **Manager** – you constantly try to keep things as they are
 - ★ **Technician** – you want to get the job done
- ★ The problem is compounded by the fact:
 - ★ each personality **wants to be the boss**
 - ★ **none wants to have a boss**
- ★ So they start a business together in order to **get rid of the boss** - and the conflict begins...

How to not get enslaved...

- ★ Begin with your **exit strategy**
 - ★ You need to separate yourself from the business:
 - ★ The way you think about it
 - ★ The way I feel about it
 - ★ The way I work in it
-
- ★ How can I get my business to work, but without me?
 - ★ How can I get my people to work, but without my constant interference?
 - ★ How can I systematize my business to be able to replicate it 1000 times?
 - ★ With all 1000 running as smoothly as the first
 - ★ How can I own my business, and still be free of it?
 - ★ How can I spend my time doing the work I love, rather than the work I have to do?
 - ★ How can I get my business to work, in order for it to successfully attract both customers and employees who want to work here?

Recap: Imagine your dream business...

- ★ You have a clean page:
 - ★ anything goes
 - ★ money is not an issue,
 - ★ people's opinions don't count or have any influence
 - ★ there are no judgments, or constraints or fears

- ★ Where do you see your business 5 years from now?
- ★ What will your business give you?
- ★ What would you do, be and have?
- ★ What do you need to believe to do, be and have these things?
- ★ What beliefs / behaviour / habits / perceptions would you have to let go to realise this?
